FORMULAS

Active ingredients

Performance for professional results.

In recent years, the integration of **biotechnology** into ingredients for **haircare products** has paved the way for increasingly advanced and high-performing formulas delivering deep and long-lasting benefits.

Lights Co by Semi di Lino integrates two universal active ingredients across all products: **STEM BIO-MATRIX** and **SEMI DI LINO COMPLEX**, selected to support hair quality and contribute to scalp well-being.

CROSS-OVER ACTIVE INGREDIENTS

STEM BIO-MATRIX
A biotechnological matrix made with proteins and lipids derived from plant stem cells, and combined with Chia oil. It revitalizes both hair and scalp, helps balance the hydrolipidic barrier, and restores strength to the hair structure, offering protection against external aggressors.

SEMI DI LINO COMPLEX
Flaxseed extract, rich in Omega-3 fatty acids, Vitamin E, and antioxidants encapsulated in a matrix that deeply nourishes and hydrates the hair. Thanks to its technological structure which enables its gradual release, it gives outstanding, prolonged shine.

All the formulas are vegan, free from ingredients of animal origin or derivation.

Fragrances

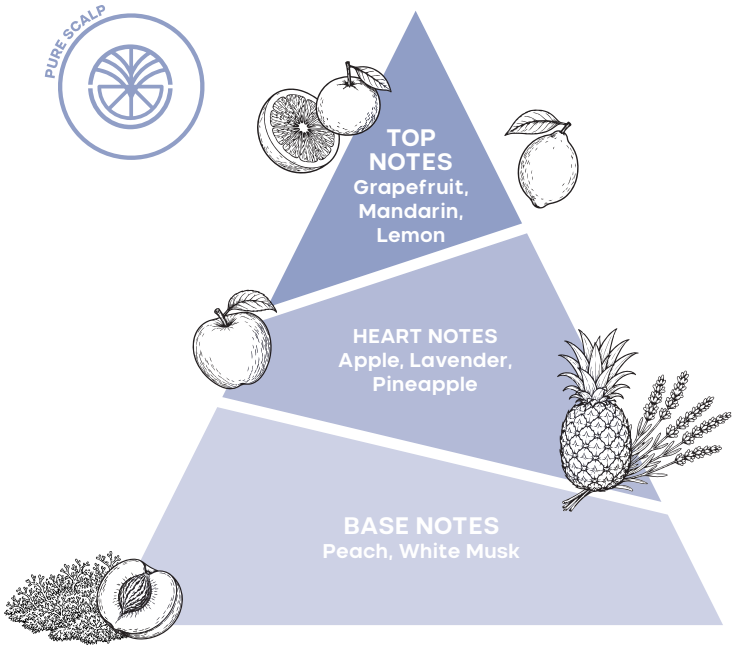
The signature scents of the sensory rituals.

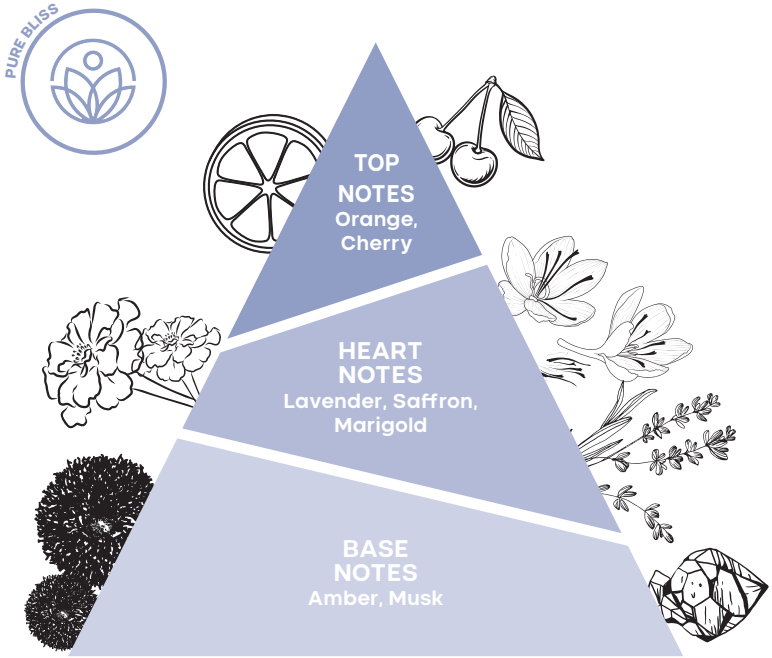
Lights Co by Semi di Lino features two fragrances designed to accompany the professional ritual and enhance the application experience.

PURE SCALP

The fragrance in harmony with the scalp

It features a blend of fruity and citrus notes that deliver freshness and relax the senses, offering a **delicate and enveloping sensory experience.**
Designed to **respect the skin microbiome**, Pure Scalp provides a touch of freshness **without altering the scalp's natural balance**.





PURE BLISS

The fragrance that inspires well-being

A harmonious blend of fruity, floral, and spicy notes envelops the senses, transforming every application into **a revitalizing sensory experience.** Developed to **promote a positive mood and holistic well-being**, Pure Bliss helps restore a **sense of balance and harmony between body and mind**.

PRODUCT SHEETS

Scalp Detox Scrub

Micro-exfoliating pre-treatment for scalps with excess sebum or impurities. Dermatologically tested.

It helps purify the scalp, reducing excess sebum and dandruff. It has a pleasant fresh sensation during use and leaves the scalp feels clean and a sense of wellbeing after rinsing. The granules rinse out easily, leaving no residue, the hair feels lighter and the overall appearance of scalp and hair is improved.

Texture: Transparent gel enriched with exfoliating microbeads.

SIZE:
150 ml - PF032850

ACTIVE INGREDIENTS / BENEFITS

DERMA CLEAR COMPLEX

Biocompatible active ingredient obtained from crocus flowers, which acts directly on the fungus responsible for dandruff. It purifies the scalp, visibly reduces dandruff and helps prevent its recurrence, leaving the scalp feeling comfortable.

BIODEGRADABLE FORMULA[1]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Wet the hair and scalp. Apply to the scalp and distribute evenly. Gently massage. Rinse thoroughly and follow with the specific shampoo. Professional quality.

pH VALUE: 5.0 - 6.0

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Scalp Revitalizing Pre-shampoo

Revitalizing pre-treatment for dry scalps with impurities. Dermatologically tested.

It hydrates the scalp and helps reduce feelings of dryness, itchiness, tingling and tightness. It has a pleasant fresh sensation during use and leaves the scalp feeling clean and the hair more lightweight. From the very first application, it helps remove dry dandruff, improving the overall appearance of the hair and scalp.

Texture: Melting, with a soft, velvety feel. Delicate ivory color.

SIZE:
125 ml - PF032851

ACTIVE INGREDIENTS / BENEFITS

DERMA CLEAR COMPLEX

Biocompatible active ingredient obtained from crocus flowers, which acts directly on the fungus responsible for dandruff. It purifies the scalp, visibly reduces dandruff and helps prevent its recurrence, leaving the scalp feeling comfortable.

DERMA CALM EXTRACT

Natural extract of witch hazel leaves that soothes the skin, reduces redness and itching, and helps restore scalp balance. It strengthens the skin barrier and helps reduce flaking and irritation, providing relief to the scalp.

BIODEGRADABLE FORMULA[1]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply to a dry scalp and distribute evenly. Gently massage. Rinse thoroughly and follow with the specific shampoo. Professional quality.

pH VALUE: 5.0 - 6.0

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Scalp Oil Control Shampoo

Rebalancing shampoo[1] for oily scalps. Dermatologically tested.

It gently yet deeply cleanses, revitalizing both hair and scalp. It reduces excess sebum from the very first application and helps delay its reappearance, contributing to longer time between washes. It leaves a clean scalp sensation and refreshed skin, while after drying the hair feels lighter. With continued use, the overall appearance of the hair and scalp is improved.

Texture: Transparent.
Rich foam.

SIZES:
250 ml – PF032856
1000 ml - PF032857

ACTIVE INGREDIENTS / BENEFITS

DERMA BALANCE COMPLEX

Rebalancing complex that combines a **biotechnological active ingredient** derived from a **Mediterranean microalga** with a naturally derived extract obtained from **celery seeds**. It reduces excess sebum and helps keep hair feeling clean longer.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Distribute on wet hair and massage to emulsify. Rinse thoroughly. Repeat if necessary. Professional quality.

pH VALUE: 5.0 - 5.5

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Instrumental test conducted on Scalp Oil Control Shampoo and Scalp Oil Control Spray.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Scalp Purity Shampoo

Purifying shampoo for hair and scalp with impurities. Dermatologically tested.

It gently cleanses and revitalizes both hair and scalp. It visibly reduces both oily and dry dandruff from the very first application and helps delay its reappearance. It spreads easily on the scalp, leaving the scalp feeling clean and refreshed. After use, the hair feels lighter and the overall appearance of scalp and hair is improved.

Texture: Creamy and glossy fine foam. Delicate ivory color.

SIZES:
250 ml - PF032852
1000 ml - PF032853

ACTIVE INGREDIENTS / BENEFITS

DERMA CLEAR COMPLEX

Biocompatible active ingredient obtained from crocus flowers, which acts directly on the fungus responsible for dandruff. It purifies the scalp, visibly reduces dandruff and helps prevent its recurrence, leaving the scalp feeling comfortable.

BIODEGRADABLE FORMULA[1]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Distribute on wet hair and massage to emulsify. Rinse thoroughly. Repeat if necessary. Professional quality.

pH VALUE: 5.5 - 6.0

FREE FROM: Sulfates, paraffins, mineral oils, silicones.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Scalp Serenity Shampoo

Soothing shampoo[1] for dry and sensitive scalps. Dermatologically tested.

It gently cleanses, revitalizes and hydrates the scalp from the very first application. It helps reduce feelings of dryness, tingling, tightness and burning, leaving a sensation of comfort on the scalp.

Texture: Creamy with an amber hue. Soft, dense foam.

SIZES:
250 ml - PF032854
1000 ml - PF032855

ACTIVE INGREDIENTS / BENEFITS

DERMA CALM EXTRACT

Natural extract of witch hazel leaves that soothes the skin, reduces redness and itching, and helps restore scalp balance. It strengthens the skin barrier and helps reduce flaking and irritation, providing relief to the scalp.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Distribute on wet hair and massage to emulsify. Rinse thoroughly. Repeat if necessary. Professional quality.

pH VALUE: 5.0 - 5.8

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Instrumental clinical test conducted on Scalp Serenity Shampoo and Scalp Serenity Fluid.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Rescue Shampoo

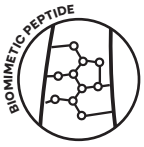
Gentle repairing shampoo for damaged hair.

Gently cleanses and revitalizes the hair and scalp.
Repairs and strengthens the hair fiber[1].

Texture: White, creamy texture.
Rich and dense lather.

SIZES:
250 ml - PF029685
1000 ml - PF029686

ACTIVE INGREDIENTS / BENEFITS



BIOMIMETIC PEPTIDE

Derived from the Lupin plant, it repairs damaged hair fiber, creating new bonds to recover the structural integrity of the hair.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply to wet hair and emulsify. Rinse thoroughly. Repeat if necessary. Professional quality.

pH VALUE: 5.2 - 6.0

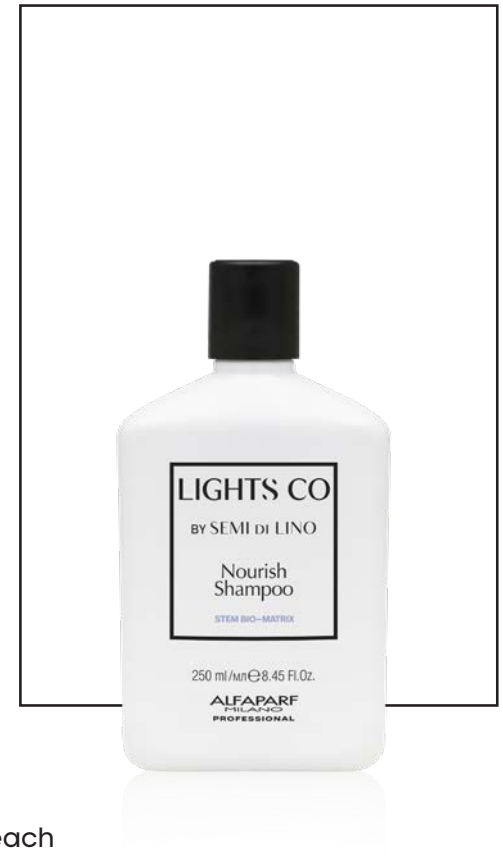
FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Instrumental test conducted on Rescue Shampoo + Bond Rescue Mask + Essential Bonding Serum + Bond Protection Cream.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Nourish Shampoo

Gentle nourishing shampoo for dry hair.

Gently cleanses and revitalizes the hair and scalp.
Provides immediate hydration for silky-soft[1] hair.



Texture: A delicate pearlescent peach color with a rich, enveloping lather.

SIZES:
250 ml - PF029677
1000 ml - PF029678

ACTIVE INGREDIENTS / BENEFITS

BIOMIMETIC LIPID

Derived from the combination of D-Panthenol and vegetable fatty acids. Thanks to its affinity with both scalp and hair fiber, it helps restore the hydrolipidic barrier, leaving hair soft as silk.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply to wet hair and emulsify. Rinse thoroughly. Repeat if necessary. Professional quality.

pH VALUE: 5.8 - 6.2

FREE FROM: Sulfates, paraffins, mineral oils, silicones.

[1]Instrumental test conducted on Nourish Shampoo + Nourish Dual Conditioner.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Glow Shampoo

Gentle illuminating shampoo for all hair types.

Gently cleanses and revitalizes the hair and scalp.
Hydrates the hair fiber and gives intense shine,
for extraordinarily light and luminous[1] hair.

Texture: Glossy white-ivory color.
Soft and silky lather.

SIZES:
250 ml - PF029669
1000 ml - PF029670

ACTIVE INGREDIENTS / BENEFITS

SEMI DI LINO EXTRACT

Flaxseed extract to give hair a healthy and shiny appearance.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply to wet hair and emulsify. Rinse thoroughly.
Repeat if necessary. Professional quality.

pH VALUE: 5.0 - 6.0

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Instrumental test conducted on Glow Shampoo + Glow Dual Conditioner.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Essential Bonding Serum

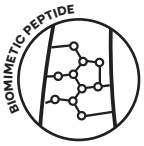
Rinse-off serum with a powerful reparative action for damaged hair.

Increases the hair's bond density from the first application and provides intense shine.

Texture: Fluid gel, delicate transparent green colour.

SIZE:
6x13ml - PF029689

ACTIVE INGREDIENTS / BENEFITS



BIOMIMETIC PEPTIDE
Derived from the Lupin plant, it repairs damaged hair fiber, creating new bonds to recover the structural integrity of the hair.

A-Z BOND
Bonding technology that helps rebuild damaged bonds from the inside.

HOW TO USE: After shampooing, apply the contents of one vial to damp hair and massage. Rinse thoroughly. Professional quality.

pH VALUE: 3.8 - 4.4

FREE FROM: Sulfates, paraffins, mineral oils, nuts.

Essential Nourish Serum

Rinse-off serum with a powerful nourishing action for dry hair.
Deeply nourishes and plumps the hair fiber, for shiny and silky-soft hair.

Texture: Peach colored fluid emulsion.

SIZE:
6x13ml - PF029683

ACTIVE INGREDIENTS / BENEFITS

BIOMIMETIC LIPID
Derived from the combination of D-Panthenol and vegetable fatty acids. Thanks to its affinity with both scalp and hair fiber, it helps restore the hydrolipidic barrier, leaving hair soft as silk.

BIODEGRADABLE FORMULA[1]
It breaks down into simpler substances with less impact on the environment.

HOW TO USE: After shampooing, apply the contents of one vial to damp hair and massage. Rinse thoroughly. Professional quality.

pH VALUE: 4.8 - 5.3

FREE FROM: Sulfates, paraffins, mineral oils, nuts.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Essential Shine Serum

Rinse-off serum with a powerful illuminating effect for all hair types.

Smooths and seals the cuticle, improving combability and delivering intense shine.

Texture: Liquid, clear blue in color.

SIZE:
12x13 ml - PF029675

ACTIVE INGREDIENTS / BENEFITS

SEMI DI LINO EXTRACT
Flaxseed extract to give hair a healthy and shiny appearance.

BIODEGRADABLE FORMULA[1]
It breaks down into simpler substances with less impact on the environment.

HOW TO USE: After shampooing, apply the contents of one vial to damp hair and massage. Rinse thoroughly. Professional quality.

pH VALUE: 5.0 - 7.0

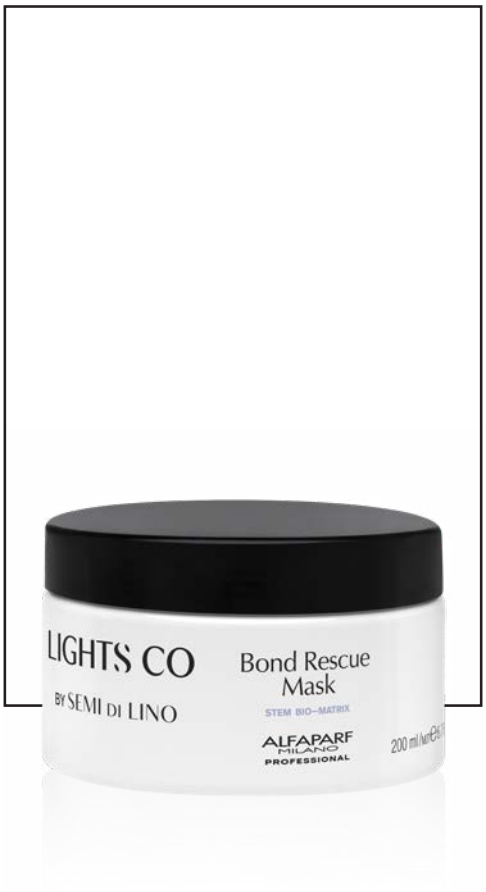
FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Bond Rescue Mask

Reparative mask for damaged hair.

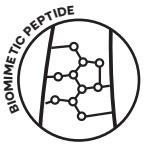
Repairs the hair structure, increases resistance to breakage, deeply hydrates without weighing the hair down, improves detangling, and combats frizz for shiny, healthy-looking hair[1].



Texture: White, rich and creamy texture.

SIZES:
200 ml - PF029687
500 ml - PF029688

ACTIVE INGREDIENTS / BENEFITS



BIOMIMETIC PEPTIDE

Derived from the Lupin plant, it repairs damaged hair fiber, creating new bonds to recover the structural integrity of the hair.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply after shampooing to lengths and ends and comb through. Rinse thoroughly. Professional quality.

pH VALUE: 4.0 - 4.8

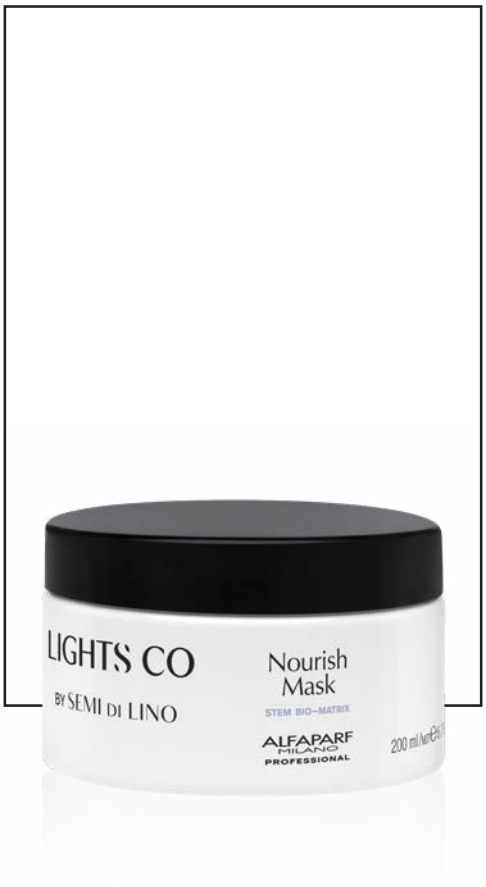
FREE FROM: Paraffins, mineral oils, nuts.

[1]Instrumental test conducted on Rescue Shampoo + Bond Rescue Mask + Essential Bonding Serum + Bond Protection Cream.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Nourish Mask

Nourishing mask for dry hair.

Penetrates the hair fiber to strengthen the hydrolipidic barrier and provide immediate hydration from roots to ends, without weighing the hair down. Protects against humidity and combats frizz, facilitates detangling, and delivers exceptional softness.



Texture: A rich, enveloping cream with a soft peach color.

SIZES:
200 ml - PF029681
500 ml - PF029682

ACTIVE INGREDIENTS / BENEFITS

BIOMIMETIC LIPID

Derived from the combination of D-Panthenol and vegetable fatty acids. Thanks to its affinity with both scalp and hair fiber, it helps restore the hydrolipidic barrier, leaving hair soft as silk.

BIODEGRADABLE FORMULA[1]

It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply after shampooing to lengths and ends and comb through. Rinse thoroughly. Professional quality.

pH VALUE: 4.5 - 5.0

FREE FROM: Paraffins, mineral oils, nuts.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Glow Mask

Illuminating mask for all hair types.

Revitalizes and deeply nourishes the hair fiber without weighing it down. Protects against humidity and combats frizz, facilitates detangling, and provides intense shine.

Texture: Light, creamy texture that is a pure white color.

SIZES:
200 ml - PF029673
500 ml - PF029674

ACTIVE INGREDIENTS / BENEFITS

SEMI DI LINO EXTRACT
Flaxseed extract to give hair a healthy and shiny appearance.

BIODEGRADABLE FORMULA[1]
It breaks down into simpler substances with less impact on the environment.

HOW TO USE: Apply to lengths and ends after shampooing and comb through. Rinse thoroughly. Professional quality.

pH VALUE: 4.1 - 4.6

FREE FROM: Sulfates, paraffins, mineral oils, nuts.

[1]Biodegradability test conducted according to OECD TG 301F standard.

Nourish Dual Conditioner

2-in-1 nourishing conditioner for dry hair.

Deeply hydrates, prevents dehydration, detangles lengths, and seals cuticles to reduce breakage for silky-soft hair. Protects from heat damage caused by styling tools and prepares the hair for styling[1].

Texture: Creamy and shiny emulsion with a peach color.

SIZES:
200 ml - PF029679
1000 ml - PF029680

ACTIVE INGREDIENTS / BENEFITS

BIOMIMETIC LIPID

Derived from the combination of D-Panthenol and vegetable fatty acids. Thanks to its affinity with both scalp and hair fiber, it helps restore the hydrolipidic barrier, leaving hair soft as silk.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

THERMAL PROTECTION

Protects from the heat of hot styling tools, up to 450°F/230°C.

HOW TO USE: Apply to lengths and ends after shampooing and comb through. Rinse thoroughly. If used as a leave-in, apply a small amount to lengths and ends and proceed with drying without rinsing. Professional quality.

pH VALUE: 4.0 - 4.5

FREE FROM: Sulfates, paraffins, mineral oils, nuts.

[1]Instrumental test conducted on Nourish Shampoo + Nourish Dual Conditioner.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Glow Dual Conditioner

2-in-1 illuminating conditioner for all hair types.

Deeply hydrates, detangles, seals the cuticles, and delivers intense shine, for extraordinarily light and luminous hair. Protects from heat damage caused by styling tools and prepares the hair for styling[1].

Texture: A light, silky texture that is white in color.

SIZES:
200 ml - PF029671
1000 ml - PF029672

ACTIVE INGREDIENTS / BENEFITS

SEMI DI LINO EXTRACT

Flaxseed extract to give hair a healthy and shiny appearance.

BIODEGRADABLE FORMULA[2]

It breaks down into simpler substances with less impact on the environment.

THERMAL PROTECTION

Protects from the heat of hot styling tools, up to 450°F/230°C.

HOW TO USE: Apply to lengths and ends after shampooing and comb through. Rinse thoroughly. If used as a leave-in, apply a small amount to lengths and ends after shampooing and proceed with drying without rinsing. Professional quality.

pH VALUE: 4.5 - 5.0

FREE FROM: Paraffins, mineral oils, nuts.

[1]Instrumental test conducted on Glow Shampoo + Glow Dual Conditioner.
[2]Biodegradability test conducted according to OECD TG 301F standard.

Scalp Oil Control Spray

Rebalancing spray[1] for oily scalps. Dermatologically tested.

It helps control sebum production between washes, contributing to a longer-lasting clean and fresh scalp sensation. It supports the treatment over time, helping to delay the reappearance of sebum and better maintain the balance of the scalp.

Texture: Lightweight liquid with a dry-touch feel.

SIZE:
125 ml - PF032859

ACTIVE INGREDIENTS / BENEFITS

DERMA BALANCE COMPLEX

Rebalancing complex that combines a **biotechnological active ingredient** derived from a **Mediterranean microalga** with a naturally derived extract obtained from **celery seeds.** It reduces excess sebum and helps keep hair feeling clean longer.

HOW TO USE: After cleansing with the specific shampoo, spray directly onto the scalp while the hair is still damp. Gently massage to promote absorption. Do not rinse.

pH VALUE: 5.5 – 6.3

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Instrumental test conducted on Scalp Oil Control Shampoo and Scalp Oil Control Spray.

Scalp Serenity Fluid

Soothing serum[1] for dry and sensitive scalps. Dermatologically tested.

It helps keep the scalp hydrated and soothed over time, helping to reduce feelings of dryness, itchiness, tingling, tightness and burning. With continued use, it supports scalp wellbeing and helps improve the overall appearance of the hair and scalp, without weighing the hair down.

Texture: Ultra-fluid gel with an amber hue, offering a comfortable sensory feel.

SIZE:
125 ml - PF032858

ACTIVE INGREDIENTS / BENEFITS

DERMA CALM EXTRACT

Natural extract of witch hazel leaves that soothes the skin, reduces redness and itching, and helps restore scalp balance. It strengthens the skin barrier and helps reduce flaking and irritation, providing relief to the scalp.

HOW TO USE: After cleansing with the specific shampoo, apply directly to the scalp while the hair is still damp and gently massage to aid absorption. Do not rinse. Professional quality.

pH VALUE: 5.6 – 6.4

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

[1]Instrumental clinical test conducted on Scalp Serenity Shampoo and Scalp Serenity Fluid.

Bond Protection Cream

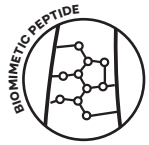
Reparative cream for damaged hair.

Seals the cuticles, reducing fiber breakage and improving detangling. Delivers intense shine. Protects against frizz and heat damage caused by styling tools, preparing the hair for styling[1].

Texture: Smooth white fluid emulsion.

SIZE:
125 ml - PF029690

ACTIVE INGREDIENTS / BENEFITS



BIOMIMETIC PEPTIDE

Derived from the Lupin plant, it repairs damaged hair fiber, creating new bonds to recover the structural integrity of the hair.

THERMAL PROTECTION

Protects from the heat of hot styling tools, up to 450°F/230°C.

HOW TO USE: Distribute over lengths and ends of damp hair and dry without rinsing. Professional quality.

pH VALUE: 4.5 - 5.5

FREE FROM: Paraffins, mineral oils, nuts.

[1]Instrumental test conducted on Rescue Shampoo + Bond Rescue Mask + Essential Bonding Serum + Bond Protection Cream.

Shine Drops

Leave-in shine drops for all hair types.

They perfect the hair fiber, delivering intense shine and a feeling of body and support. Protects from heat damage caused by styling tools and prepares the hair for styling.

Texture: Liquid, with a crystalline lilac-pink colour.

SIZE:
12x13 ml - PF029676

ACTIVE INGREDIENTS / BENEFITS

SEMI DI LINO EXTRACT
Flaxseed extract to give hair a healthy and shiny appearance.

THERMAL PROTECTION
Protects from the heat of hot styling tools, up to 450°F/230°C.

HOW TO USE: Apply to lengths and ends after shampooing and comb through. Do not rinse. Professional quality.

pH VALUE: 5.5 - 7.0

FREE FROM: Sulfates, paraffins, mineral oils, silicones, nuts.

Nutri-Luxe Oil

Nourishing oil for dry hair.

Deeply nourishes the hair fiber, hydrating it and providing extraordinary softness and shine. Protects the hair from frizz and from heat damage caused by styling tools, preparing hair for styling.

Texture: Pale yellow colored silky and lightweight oil.

SIZE:
100 ml - PF029684

ACTIVE INGREDIENTS / BENEFITS

LINSEED OIL
Gives shine and nutrition.

CHIA OIL
Rich in amino acids and vitamins, it creates a protective film on the hair fiber that helps preserve hydration and counteract damage caused by UV rays.

THERMAL PROTECTION
Protects from the heat of hot styling tools, up to 450°F/230°C.

HOW TO USE: Apply a few drops to damp or dry hair. Professional quality.

FREE FROM: Sulfates, paraffins, mineral oils, nuts.
